

## Sports Premium Funding at Highley Community Primary School

Highley Community Primary School has been awarded a Sports Premium Grant annually since 2013/14 academic year. For the current academic year, 2016-17 (up to March 2017), we have received a grant of £8895 (a figure based on our current intake). In the next financial year, the figure is set at £8000.

The purpose of this government grant is to improve the provision of PE and sport within schools, with schools being given freedom to choose how best to spend the money in order to do this. The funding is 'ring-fenced' and therefore can only be spent on the provision of PE and sport in schools.

### **Use of funding 2016/2017:**

Highley Community Primary School received £8895 for the last academic year which was used to continue the work done in previous years and embed good quality teaching and learning.

### **1.Improving the quality of teaching and learning**

The school has used the Sports Premium grant to raise the standard of teaching and learning in PE by purchasing sports equipment and resources and investing in relevant training programmes in the following ways:

<b>Provision</b>	<b>Impact</b>
Specialist P.E coach used to pass on their knowledge to other members of staff.	Overall standard of P.E across the school has improved.
External providers will be used to work with members of staff in planning and delivering effective PE lesson (through SE Shropshire SP).	Increased confidence amongst staff in planning and delivering effective PE lesson
Purchase of a service level agreement to join in with the Idsall School-based South-East Shropshire Schools' Partnership (@ the cost of £2000)	As above.

### **2.Increasing participation in sporting activities outside of the core curriculum**

<b>Provision</b>	<b>Impact</b>
Develop play leadership training for Year 5 children, using support staff in school (additional cover cost), to train and organise a comprehensive timetable of activity during break/lunch times.	Children are engaged in focused, meaningful play activity at break and lunchtimes.  Behaviour incidents on the playground are reduced.

<p>Participation in intra- school competitions and introducing 'new' sports to the children which they may not have encountered, e.g. dodge-ball.</p> <p>Participation in Sport Ability' for SEN/ targeted: supply/ transport cost cover.</p> <p>Participation in 'Winter games' for HA children: supply/ transport cost cover.</p>	<p>Sports Teams taking part in these events were prepared well to enable them to compete with other schools.</p> <p>P.E. Coordinator was able to attend events with the children and attend Network/ Partnership meetings to keep-up-to-date with current developments.</p> <p>Children (of all abilities) did participate in a range of intra-school sporting event, including 'new' sports, which children may not have had opportunity to experience previously.</p>
<p>Audit and monies allocated to the cost of equipment and resources for these extra-curricular activities.</p>	<p>Purchase of specialist equipment, e.g. dodge-balls, based on audit.</p>
<p>Leasing costs of school mini-bus, enabling us to attend more sporting activities/ competitions outside of school.</p>	<p>Children enabled to travel to a greater number of sporting activities/ tournaments and events outside of the normal P.E. Curriculum.</p>

### **3.Improving pupils' lifestyles and physical wellbeing**

<b>Provision</b>	<b>Impact</b>
<p>Increased sporting participation for all pupils as a result of all of the above.</p>	<p>The majority of Highley Community Primary School pupils have improved health and well-being, whilst also benefiting from all the other positive values that sport promotes.</p>

**Planned spend: 2017/18: £8000**

### **1.Improving the quality of teaching and learning**

<b>Provision</b>	<b>Measure of effectiveness</b>
<p>Specialist P.E coach/ HLTA employed:</p> <ul style="list-style-type: none"> <li>To develop knowledge/ skills to other members of staff.</li> <li>To develop the P.E. skills of the pupils across the school.</li> </ul> <p>Supply costs met to enable the P.E. Coordinator to evaluate the effectiveness of any provision.</p>	<p>Overall standard of P.E across the school continues to improve with confident P.E. teaching and greater skill acquisition of the pupils at Highley Community Primary School.</p> <p>Lessons observed and improvements noted as a measure of effectiveness.</p>
<p>External providers to continue to work with members of staff in planning and delivering</p>	<p>Increased confidence amongst staff in planning and delivering effective PE lesson. Set of</p>

<p>effective PE lesson (through SE Shropshire SP).</p> <p>Supply costs met to enable the P.E. Coordinator to evaluate the effectiveness of any provision.</p>	<p>comprehensive planning documents in place to support the teaching of PE at Highley Community Primary School.</p> <p>Lessons observed and improvements noted as a measure of effectiveness.</p>
<p>Purchase of a service level agreement to join in with the Idsall School-based South-East Shropshire Schools' Partnership (@ the cost of £2000)</p>	<p>As before.</p>

## 2. Increasing participation in sporting activities outside of the core curriculum

<b>Provision</b>	<b>Measure of effectiveness</b>
<p>Train (current) Year 4 pupils in the skills of 'play leading' to prepare for the new academic year (2017/18), using support staff in school (additional cover cost).</p>	<p>Children continue to be engaged in focused, meaningful play activity at break and lunchtimes.</p> <p>Behaviour incidents on the playground are reduced.</p>
<p>Continue to participate in intra- school competitions: cost of cover for P.E. Coordinator + transport costs.</p>	<p>Sports Teams taking part in these events are prepared well to enable them to compete with other schools.</p> <p>P.E. Coordinator is able to attend events with the children and attend Network/ Partnership meetings to keep-up-to-date with current developments.</p> <p>Children participate in a range of intra-school sporting events.</p>
<p>Introduce 'Change 4 Life' programme in school (initially for targeted children): cost of cover to develop staff skills to deliver. Supply costs to enable staff to facilitate programme.</p>	<p>'Change 4 Life' programme set up in school with children having improved health and well-being as a result of the programme.</p>
<p>Develop after-school sports clubs using external providers – providing a part/ full subsidy to support disadvantaged pupils.</p>	<p>More children participating in after-school sports clubs, leading to improved health and well-being.</p>
<p>To host sporting events for other schools on school premises: cost of supply to enable</p>	<p>Greater number of children participate in a range of intra-school sporting events hosted on-site,</p>

release time for the P.E. Coordinator to plan and organise this, e.g. 'Mile Festival'	thus enabling more children, of varying levels, to take part in competition.
On-going leasing costs of school mini-bus, enabling us to attend more sporting activities/ competitions outside of school.	A greater number of children enabled to travel to a greater number of sporting activities/ tournaments and events outside of the normal P.E. Curriculum.
